Dear Sir or Madam;

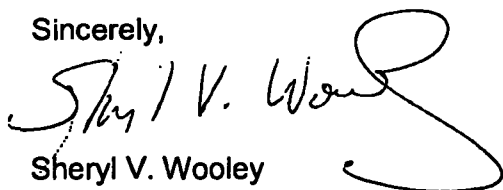

Sheryl V. Wooley, on behalf of Friends of Chauncey Goss, a campaign committee established in November of 2011 files the following complaint against Friends of Trey Radel, Inc, a Florida corporation designated as the campaign committee of Henry J. Radel III.

The Federal Elections Campaign Act prohibits the selling or using of names and addresses of individual contributors, copied from FEC reports, from commercial purposes or for the purposes of soliciting funds without the express consent of the campaign that filed the report.

In December of 2011, Friends of Chauncey Goss Treasurer Sally Frizzell Coleman, CPA corresponded with the Federal Elections Commission and provided the Commission with a list of fictitious donor names. This was done per Federal Elections Commission instructions to detect impermissible uses of individual contributor information by other organizations. In September of 2012, Friends of Trey Radel mailed a solicitation to one or more of those fictitious names without the consent of Friends of Chauncey Goss. The complaint is filed by Sheryl V. Wooley who received the solicitation request for Shirley A. Wood at her address, as used in the salted reports. The copies of this solicitation are attached.

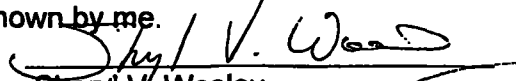

Friends of Chauncey Goss hereby reports the violation and requests the Federal Elections Commission take appropriate action to enforce the law that protects the donor lists and individual contribution information of candidates who file Federal Elections Commission reports.

Sincerely,

Sheryl V. Wooley

STATE OF FLORIDA
COUNTY OF LEE

The foregoing instrument was acknowledged by me this 24th day of October, 2012 by
